

## Virginia Beach Office Provides for Soap Chips!

Near and dear to our Virginia Beach associates' hearts is Soap Chips, an organization founded by our very own Clay Culbreth.

Soap Chips gives clean, warm, comfortable showers to those in need. They are 100% portable and go wherever the need is. Soap Chips is always accepting donations, and supplies for all the bare essentials we sometimes take for granted!

The entire office pitched in to provide soap, deodorant, lotion, toothpaste, tooth brushes, shaving cream, dental floss, combs/brushes, towels/wash cloths, socks, etc.
