

Roanoke Office Volunteers at Stamp Out Hunger Food Drive

Through our Thalhimer Gives partnership with the Presbyterian Community Center our Roanoke associates volunteered at Stamp Out Hunger Food Drive Day on May 12th at their local post office. They helped empty trucks and vans of non-perishable food donations and also sorted food items into several boxes.

Did you know the second Saturday in May is the largest one-day food drive in the nation? Stamp Out Hunger Food Drive takes place in more than 10,000 cities and towns, and the food is collected by those men and women carrying our mail across the country. Over the last 20 years, one billion pounds of food has been delivered by this drive which is sponsored by the National Association of Letter Carriers. The Stamp Out Hunger Food Drive has received a number of accolades over the years, including two Presidential Certificates of Achievement.
