

## Virginia Beach Associates Volunteer and Raise Dollars for Ronald McDonald House Charities

The Virginia Beach office volunteered at the Ronald McDonald House Charities in Norfolk on Tuesday, October 22<sup>nd</sup>. They assisted in several cleaning jobs including dusting, vacuuming, wiping down baseboards, kitchen appliances and drawers, glass tabletops, and repairing a piece of their wood flooring. They also organized the entire DVD inventory by sorting and labeling each one and making a master spreadsheet. The Virginia Beach office also donated a total of \$500 from jeans day collections and company match.

Ronald McDonald House® – serving families who must travel far from home, The House is much more than a room to stay in, it provides comfort, support and resources for families with sick children just steps from the hospital. And while RMHC Norfolk may not be able to make the medicine taste better or erase the pain of a much-needed treatment, they can help lessen the burden for over 1000 families each and every year. They keep families close– giving them a place to rest and refresh. A place that feels like home.

*“We had a great time donating our time at the Ronald McDonald House. We hope our efforts will make a difference for families that count on the Ronald McDonald house when their children are hospitalized.”*
