

Greenville Office Provides Gift Packages to Meals on Wheels

The entire Greenville, SC office donated their time and money in gathering and putting together a total of 17 Christmas gift packages and delivering them to their Meals on Wheels clients.

They purchased plush Christmas throw blankets, lotions and toiletries, puzzle books, candy, batteries, and many more smaller items, and then packaged everything in fun festive gift bags.

"We hope that we were able to make the holidays special for our homebound neighbors who might not have received anything otherwise, and make a difference in creating a community of unity."
