

THURSDAY, SEPTEMBER 10TH
ASSISTED WITH HOLIDAY BONE TREATS

Today we helped FETCH A Cure prepare for their Holiday Bone Treats, which is part of their annual end-of-year campaign to raise awareness for FETCH and pet cancer. We assisted by adhering labels to over 1,000 treat bags and stuffed them with cards about FETCH a Cure, getting them ready for the treats to be added in December. We then got creative decorating and sprucing up their wooden “rein-dogs” that will be used to display their treat bags during the holiday season. Special guest: Tuna, FETCH’s office pet!

Thalhimer attendees: Cristol Klevinsky, Kristen White, Felicia Kalber, Paula English, Sonja Roberts/Twin Rivers.
