

## Virginia Beach Associates Partner with Judeo-Christian Outreach Center

The Virginia Beach office raised \$250 for Judeo-Christian Outreach Center during the 3rd quarter of 2020 with their monthly jean's day collections. With the company match, it brings the check total to \$500 that was presented to Judeo-Christian Outreach Center. They also volunteered at the center on Tuesday, September 15<sup>th</sup> by running their food pantry and providing meals to those in need.

The Judeo-Christian Outreach Center (JCOC) has been serving the homeless population of Virginia Beach since 1986. They provide shelter for 50 individuals including men, women and families. Their mission is to empower homeless families, individuals, and veterans to recover from crisis situations and return to being self-supporting, productive, and independent members of our community.

*"Volunteering with the Judeo-Christian Outreach Center is a very rewarding experience. This is our 2nd time volunteering with them and was just as gratifying the second time around to provide the homeless with free and nutritious meals."*
