WEDNESDAY, FEBRUARY 10TH FLEECE BLANKET MAKING

Richmond associates assisted RMHC by making no-sew fleece blankets for family members who are visiting at the hospital or at Ronald McDonald House. With a little help from YouTube, and Diana Villareal at RMHC, we were able to breeze through to create an array of beautiful, colorful and cozy blankets - more than a dozen in all. Associates socially distanced while making them at the office, and some were able to make them from home.

Thalhimer attendees: (l to r, below) Amy Richard, Paula English, Felicia Kalber, Cristol Klevinsky, Sheila Flowers, Curtis Mummau, Joanne Messina, Renee Pulliam. Additional associates creating from home: Annette Arrington, Samantha Miller, Bernardine Cde Baca (Curtis' wife).
