

Fredericksburg Associates Partner with Fredericksburg Regional Food Bank in Q1

Fredericksburg Brokerage and Property Management associates put their teamwork and ingenuity to the test by taking part in the 9th annual Canstruction event to raise funds, awareness, and gather food for The International Hunger Relief Charity and the Fredericksburg Regional Food Bank. They assembled over 114 food items (including cans and various non-perishables) to create their version of the University of Mary Washington Pedestrian Bridge near their office.

The \$170 worth of food from the project and the extra funds raised, which came to \$330 after the company match, will be donated to help feed those in need in the community.

“The Fredericksburg office showed great teamwork while building our structure to support the community and the fight against hunger”

-- Virgil Nelson, Senior Vice President & Managing Broker

The design: a replica of the University of Mary Washington Pedestrian Bridge

Participants (l to r): Jeriesha Cook, Angelo Ignudo, Midori Reid, Sharon Schmidt, Virgil Nelson, Samantha Knox, Jamie Scully, Ann Allen, Paul Spellman, Mark Banach.
