

Greenville and Columbia Associates Give to Meals on Wheels through Thalhimer Gives

Thalhimer's Greenville and Columbia associates donated \$180 to Meals on Wheels of Greenville County. All entry money from both offices participating in March Madness NCAA 2021 brackets were donated to Meals on Wheels to ensure over two weeks of hot meals for homebound individuals.

"Meals on Wheels of Greenville has more than 130 routes every weekday, hand delivering hot meals to nearly 1,500 households. This was a fun way to play the tournament and have the dollars go to a good cause."
