

Charleston Office Partners with Soldiers' Angels in Support of Area Military Families

Charleston associates had a great day this week spent sorting, packaging and handing out food to low-income, at-risk and homeless veterans via drive-thru process.

Soldiers' Angels provides an easy, no-cost way for Charleston veterans in-need to receive food assistance. Volunteers pack bags of groceries and load them into cars, pushcarts, or backpacks of registered veterans. This monthly event provides food support to over 200 veterans and their families.
