FENCE PAINTING AT MARKET SQUARE APARTMENTS

Richmond associates assisted BHC to refresh Market Square Apartments by painting fences in the courtyard and parking lot. Little things like a new coat of paint can make a big difference in how a community looks and feels - the residents appreciated our efforts to help make their community look beautiful and cared for and proud to call home.

Thalhimer attendees: (l to r, below) Curt Carter, Curtis Mummau, Evan Magrill, Ann Albrecht, Adam Holbrook, Leo Peschio (intern), Ian Riester.
