

Fredericksburg Associates Partner with the Fredericksburg Area Running Club and Loisann's Hope House for The Great Train Race

Fredericksburg Brokerage and Property Management associates were proud to sponsor The Great Train Race in Downtown Fredericksburg. The Great Train Race, put on by the Fredericksburg Area Running Club, is an event for kids from all over the area who, on June 6th, participated in three events in historic Downtown. Their mission was to bring awareness to health and happiness through physical activity. This event also provided support to the Loisann's Hope House, which helps homeless families/children in the community. The Fredericksburg office raised \$200.00 in funds to be donated to the race, which was matched by the company, for a total donation of \$400.

"The Fredericksburg office is happy to support The Fredericksburg Area Running Club and Loisann's Hope House to provide health and happiness to the community."
