GUYS, GALS, AND GAMES WITH JACOB'S CHANCE

Richmond associates joined in the fun at Jacob's Chance's Guys, Gals, and Games day enrichment program with the organization's participants at St. Michael's Church in Richmond. Our associates helped set up the games and were actively involved in several activities that help the participants stay active and engaged, while also facilitating a fun social environment. *Thalhimer attendees: (l to r, below) John August, Jason Crowder, Brandi Weiser, Adam Holbrook, Curtis Mummau, Robin Blackman (not pictured in group photo), and many participants from Jacob's Chance.*
