

Fredericksburg Associates Partner with Toys for Tots during Fourth Quarter 2021

Associates in our Fredericksburg office helped make the holidays brighter for many children in the area by participating in the Marine Corps Toys for Tots Program. Toys for Tots local campaigns help organize and provide gifts to less fortunate children in an effort to help bring the joy of Christmas, send a message of hope, and unite all members of the community.

The Fredericksburg Team donated \$474.00 worth of toys, games, art supplies, and more to the Marine Corp Reserve. Their efforts will be doubled with the company match, bringing the total amount of donation to \$948.00. The added funds provided will help to keep spreading joy and cheer for future children as well.

"The Fredericksburg office is pleased to donate toys to help the MarineCorp Reserve to spread cheer and give the gift of Christmas to those in need."
