

Charlottesville Associates Partner with Nelson County Pantry during First Quarter 2022

Through our Thalhimer Gives initiative, several Charlottesville associates volunteered at Nelson County Pantry this week stocking and packing food for 250 families. The Nelson County Pantry is a member of the Blue Ridge Area Food Bank and every month members of the community come together to provide food for area families.

A member of the Blue Ridge Area Food Bank, the Nelson County Pantry provides supplemental food each month to approximately 250 households in the community. It is operated entirely by volunteers.
