

## Hampton Roads Associates Partner with Norfolk Animal Care & Adoption Center during First Quarter 2022

Through our Thalhimer Gives initiative, our Virginia Beach office raised \$250 for the Norfolk Animal Care & Adoption Center during the 1st quarter of 2022 with monthly jean's day collections. Including the company match, they were able to present a check to them for \$500. Several associates also volunteered at the center on March 23rd assembling two chicken coops.
