

WE COLLECTED \$7,016 AND MADE AN IMPACT!

Through our Thalhimer Gives partnership with Henrico Humane Society for the 1st quarter of 2022, we actively engaged in the community by donating financially and giving generously of our time.

• DONATED FINANCIALLY

Thalhimer's Richmond associates raised \$7,016 for Henrico Humane Society through "Friday Jeans" donations, including the company match.

• GAVE GENEROUSLY OF OUR TIME

- Thalhimer associates volunteered their time for Pet Expo at the Richmond Raceway helping to set up ahead of their signature event, as well as assisting at the Saturday event with three different shifts throughout the day for vendor check-ins, selling tickets, checking in online ticket holders, and assisting with traffic flow.
- Thalhimer's Richmond office hosted "Bring Your Dog To Work" day, providing donation dollars to Henrico Humane Society through registration from participants. The day featured a dog walk in the afternoon with volunteers from HHS and four adoptable dogs.

• PROVIDED MUCH-NEEDED SUPPLIES

Thalhimer associates donated an impressive assortment of items for Henrico Humane Society including dog and cat beds, treats and toys for both, as well as food items, and Amazon gift cards for their wish list.

"I would like to extend my sincere gratitude to the associates of Thalhimer for their hard work on behalf of Henrico Humane Society. The hours that you have contributed, the supplies that you have collected, and the money that you have raised will have a major impact on the number of animals we are able to help this year. We are overwhelmed by your generosity and support."
Cara Salman, President, Henrico Humane Society.
