RESTORE VOLUNTEER DAY

Several Richmond associates volunteered at ReStore on behalf of Richmond Metropolitan Habitat for Humanity. This particular ReStore is one of their busiest locations and they had plenty for our team to accomplish. We sorted donation items, helped with customer pick-up & drop-off, helped shoppers with their shopping needs & questions. The 2nd shift lent their manpower for clean-up behind the warehouse. *Participants: Dylan Fox, Thomas Graeber, Grace Barker, Amy Pridemore/Terraces at Manchester, Brittany Davidson, Leo Peschio, Adam Holbrook, and Dwayne Faria.*
