Work Experience

Michael Degen has been active in commercial real estate investing since the late 1980's. Prior to joining Sullivan Properties, Inc. in 2002, he was a local business owner specializing in engineering equipment and reprographics. He worked on several Navy contracts while managing his five retail locations.

Throughout his career, Mike has developed and managed a variety of commercial properties, including apartment buildings, professional offices, industrial space and several retail locations.
