BAKERY WAREHOUSE & CHILDREN'S PROGRAM

The Richmond office hosted a Food Drive for Meals on Wheels/Feed More the week of November 28th through December 2nd. Three teams competed; The Hunger Soup'er Heroes, Foo'd Fighters, and Team Visualize Whirled Peas. Collectively, we donated an astounding 10,819 items! The winning team was The Hunger Soup'er Heroes, but given the number of items we provided, we proclaimed everyone a winner. Our donated items will be incorporated into countless meals prepared and delivered to individuals at their homes or included in packages designed specifically for kids for distribution at schools.
