Work Experience

Throughout his entire career, Mark has always remained focused on the retail component of commercial real estate and has gained knowledge from several different vantage points. Originally acting as a financial officer, Mark prepared annual budgets, completed monthly forecasts and aided in the refinancing of shopping malls. Following his move to the sales and leasing side of the business, Mark worked on leasing enclosed shopping malls, strip centers, development, tenant representation and investment sales. Mark works closely with each client to learn their motivations and decipher the most important piece of any transaction that will occur for that client.

He is a member of the International Council of Shopping Centers (ICSC) and is licensed in both Arizona and Virginia. Mark graduated from LeMoyne College in Syracuse, NY in 2001.
