Thalhimer Associates Attend CoStar Group REAL Career Event at Virginia Tech

Thalhimer was well-represented last week as associates attended the CoStar Group REAL Career Event in Blacksburg, Virginia. Team members met with potential interns and soon-to-be graduates from the Virginia Tech Real Estate and Property Management programs.

Jenna Hall, assistant manager at The Rise at Regency apartments, exemplified the value of our internship program. As a previous Thalhimer intern and recent Virginia Tech graduate, she was able to connect with students and share her experience in the industry and with Thalhimer. The group enjoyed meeting many eager students and looks forward to the summer internship program.

Thalhimer attendees: Adam Holbrook, Dwayne Faria, Jenna Hall, Renee Pulliam, and Kevin Honaker
