Work Experience

Payal Shah joined Cushman & Wakefield | Thalhimer in 2022. She has extensive background in real estate investment and development. Her experience includes building profitable investment portfolios including various asset types such as hotels, strip centers, drug stores, gyms, spas, QSR, and gas stations.

She has extensive experience working with commercial leases, planning and zoning committees, government entities, real estate lawyers, architects, civil engineers, contractors, 1031 intermediaries, bankers, appraisers, and many more professionals. She strives to make sure that her client's real estate transactions are smooth and stress free. She is an enthusiastic and hardworking professional who truly enjoys her work as a real estate professional.
