

Roanoke Associates Partner with Ronald McDonald House in Q1

Our Roanoke office partnered with Ronald McDonald House in Q1. Through Friday jeans collections and the company match, they presented a check for \$788 to Ronald McDonald House! They also participated in the month-long Hearts for Hope campaign in February, purchasing \$100 of hearts and decorated their office with them. www.rmhc-swva.org/

HEARTS OF HOPE

This February help support Ronald McDonald House Charities of SW Virginia by decorating your businesses with love through our Hearts of Hope program. Your patrons can share their love for a special person in their life while also helping the RMHC-SWVA Keep Families Close when they need it the most!
