

Virginia Beach Associates Partner with Samaritan House during First Quarter

The Virginia Beach office raised \$250 with monthly jean's day collections and used it to purchase cleaning supplies to donate to the Samaritan House during the 1st quarter of 2023. They also volunteered at the center on April 4th where they created cleaning baskets and sorted through clothing donations for distribution to individuals in need of Samaritan House's support services.

Samaritan House is committed to fostering personal safety, growth and self-sufficiency in adults and their children through the freedom from sexual assault, domestic violence, human trafficking and homelessness. samaritanhouseva.org
