TUESDAY, JUNE 6TH, 2023 HELP AT CZC OFFICE

Richmond associates volunteered with Comfort Zone Camp at their office and helped with several tasks. They packaged supplies for arts & crafts projects, assembled bags of dominoes in preparation for making picture frames at their various camps, and sorted tissues, pom poms, gems, germ-X kits, and construction paper for upcoming camps. CZC was ecstatic with the number of projects completed and said the work we did would get them through the August camps. Nice job! Attendees: Renee Pulliam, Kelli Burton, Allen Boyle, Michelle Spahr, Kristen White, Adam Holbrook.
