PROPOSED DEVELOPMENT

FLEXIBLE BUILDING PLANS

On behalf of The Meridian Group (“TMG”), Cushman & Wakefield | Thalhimier is pleased to present for lease Tidewater Logistics Center—A premier 1.2 MSF Class A speculative industrial park. Located in Isle of Wight along Route 460, the Property is strategically positioned within 27 miles from the Port of Virginia’s four major Hampton Roads marine terminals. It sits between two of the largest MSAs in the state, Hampton Roads and Richmond, which offers a combined population of over three million full-time residents. Directly adjacent to the Property are corporate neighbors World Market (1MSF), Keurig Dr Pepper (330K SF) and Safco (300K SF). Boasting one of the lowest real estate (\$0.71 / \$100) and machinery and tools tax (\$1.95 / \$100) rates in Hampton Roads, Isle of Wight offers a diverse business climate well suited for both existing businesses and those expanding into the region.

Hampton Roads' industrial vacancy rate sits below 2% while the market experiences record-breaking demand from 3PLs, importers, eCommerce retailers, and other users. With \$5.5 billion in regional roadway infrastructure projects and \$1.4 billion in port-related investments recently completed or currently under construction, the fundamentals supporting industrial development in the region have never been stronger.
