Work Experience

Mac Ukrop is a Financial Analyst with Cushman & Wakefield | Thalhimer's Capital Markets Group, where he works with the investment brokerage team providing detailed financial analyses, reports, and underwriting of various asset types throughout Virginia.

Prior to joining Thalhimer in Richmond, Mac worked at Walker & Dunlop in Bethesda, MD, where he served as a senior production analyst. His real estate experience includes underwriting and quoting prospective multifamily deals for borrowers as well as managing active acquisition and refinance transactions.

Education

University of Virginia, Charlottesville, VA

- Bachelor of Arts | Foreign Affairs
