LOCATION OVERVIEW

Charlottesville, Virginia

Charlottesville is the economic anchor for the Central Virginia region - powered by the strength of top-ranked University of Virginia, diverse industries, and well-educated population. The MSA is bordered by the Blue Ridge Mountains and is comprised of eight neighboring counties and the City of Charlottesville. The area offers a modern regional airport with direct flights to Chicago, New York, and Atlanta, as well as access to surrounding cities via Interstate 64 and Route 29.

Charlottesville is home to an exceptionally skilled and educated workforce with over 40% of the MSA's population having at least a Bachelor's degree. The quality of the workforce has attracted both startups and major businesses to the region, creating a vibrant and diverse economy. The overall quality of life in Charlottesville benefits from a cost of living that is approximately 3% above the national average. With close proximity to Shenandoah National Park and the Monticello Wine Region, area residents enjoy a variety of outdoor activities, award-winning vineyards, and numerous local cideries, breweries, and restaurants.

A city deep in historic value, Charlottesville has raised three Presidents and is the home of the University of Virginia. Founded by Thomas Jefferson in 1819, the Academical Village and Jefferson's home at Monticello are registered UNESCO World Heritage Sites. The University consistently ranks as one of the top five public universities in the country. Continued expansion of the University and the area's larger healthcare facilities, continue to provide strong economic growth that has fueled commercial and residential growth in the city's core and surrounding counties.

The Charlottesville Appeal

With its rich history, national parks, and award-winning restaurant scene, Charlottesville attracts visitors from all over the United States.
