

THALHIMER

# Gives

Our Thalhimer offices banded together to source and create 50 total gift bags through Thalhimer Gives for Life Ring Organization ~ 40 for patients and 10 for caregivers!

Our associates purchased more than \$2,180 worth of contents to fill the gift bags, including art supplies, small toys, games, and craft activities, as well as blankets, coffee mugs, puzzles, and various self-care items for caregivers of the children. Each office then held an assembly volunteer event to create the bags. All of the gift bags will be sent to the Life Ring Foundation & Carilion Memorial Hospital.
